

AXE THROWING RULES

WAIVER

All participants must read and sign the waiver and be wearing the correct wristband before being allowed to throw an axe

APPROPRIATE CLOTHING

Closed toed shoes must be worn

HOW TO AXE THROW?

Your instructor will show you how to throw an axe properly. Only one person may throw an axe in a lane at one time. DO NOT attempt to catch an axe that has bounced back. Any participant who is waiting for their turn must remain in the designated waiting area

EATING & DRINKING

Please refrain from eating and drinking anywhere near the lanes

DRINK & DRUGS

This is an alcohol-free activity and there is zero tolerance with regard to this. Your instructor retains the right to cease your participation at any time if deemed necessary

AXE THROWING ETIQUETTE

Do not hand another player your axe as this can result in serious injury. Place your axe on the haybale when done. When collecting your axe, please do not grab or touch the fence. DO NOT remove an axe from the designated throwing lane.
